Pre-K3's March Newsletter

Highlights Of March

The Month of March came with warmer weather as we have reached the season of Spring, Alhamdulillah. We discussed the weather change and observed the trees blossoming. Our Class had a great time at the ECC Reading Day event! They enjoyed munching on snacks and worked on crafts for the books read!

Our Pre-K3 DiG theme that we covered in March was, "Science is Everywhere." We learned that Science is all around us and that Science is the study of many different things!

We learned the letters "U, Q, J" and concluded our Alphabets with the letter "X." We have sounded out, traced and made crafts for each letter. In Math we introduced solid shapes and learned the spelling words for Numbers 1-10!

JazakAllah Khairun, Parents for everything you do for our Pre-K3 class!

We hope you and your families have a wonderful and blessed Spring Break!!!

JazakAllah Khair!
