Sr Raja Taleb

- Dear Parent/Guardian,
- As we approach the end of another busy year, I would like to take this opportunity to thank you for the support you have given both to your child and to the school. Alhamdulillah, it has been a great year that has been filled with much joy, happiness and learning. We have covered a lot of material in Qur'an, and Islamic studies,
- Your child had memorized and understood at the best of his/her ability the following Suwar:
- Al-Fatihah, Al-Ikhlās, Al-Falaq, An-Nas, Al-Masad, An-Nasr, Al-Kawthar, Al-Ma'un, Quraysh, and Al-Feel.
- In Islamic teaching our students learned the fundamentals of Islam, The Five Pillars, daily dua's, and Islamic manners and etiquette. They were also encouraged to incorporate the teachings of the Qur'an into their personalities and day-to-day lives.
- 
- Today's technology allowed the students to reinforce learning through apps, videos, and links. Therefore, I am sending links alongside this letter for Qur'an recitation and Tajweed lessons in hopes that you'll inspire your children to continue learning throughout the holiday. Insha Allah, you will motivate them to review and listen to the Quran suwar that we completed, as there is always room for improvement. This will help your child get off to the best possible start in August insha Allah.
- Congratulations to all of you may Allah (swt) accept all your good deeds; I hope you have a wonderful summer and a Ramadan Mubarak.
- Sincerely yours,
- Sister Rima
