# Pre-K3's September Newsletter

## Highlights Of September

Masha-Allah, our Pre-K3 students are becoming more and more independent each day! It's amazing to see them transform from their first days of school! We can not thank you enough for your support and co-operation in helping your little ones transition into Pre-K3.

These past weeks in Pre-K3 have been great! We had fun painting our fish and sea-horse with our Parents at our Arts and Crafts event! JazakAllah, Parents for your class support and help during the event.

Our Pre-K3 DiG theme that we are covering is "All About Me." Children are learning about themselves and others and getting to know how different and special we all are.

We learned the letters "N, W, P and H." We have sounded out, traced and made crafts for each letter. In Math we learned about patterns and introduced one-to-one correspondence.

Thank you, again for all that you do for our Pre-K3 Students and our Class!

JazakAllah Khair!
